Welcome,

We would like to thank you for your interest in Camp Curious Canine, the area's premier cage-free day camp for dogs. It is the vision of our camp counselors to provide a safe and happy environment for all of our canine campers while they are in our care.

To maintain the highest level of care we require all prospective dogs to go through a two-step interview process. Since we are a cage-free facility, all of our campers need to be screened prior to becoming a canine camper. We will set up a time to meet with you without your dog being present. This interview will allow us to go over your dog's application, answer any of your questions, tour our campsite and go over our day camp policies. We will then set up your dog's trail day at our day camp. There will be a \$25.00 fee that will be charged to you after your first interview; this fee will include your dogs first trail day at camp.

What to bring to your first interview:

- Completed Day Camp Application
- Copy of Vaccination Records, including Rabies
- Any questions that you may have

If you are unable to make your appointment kindly call our office 24 hours prior to re-schedule.

If you have any questions please feel free to call us, we will be happy to assist you.

Thank you for choosing Camp Curious Canine,

Paula Curran

Director of Day Camp and Training
